

"NINE NIGHTS OF THE DEVI"

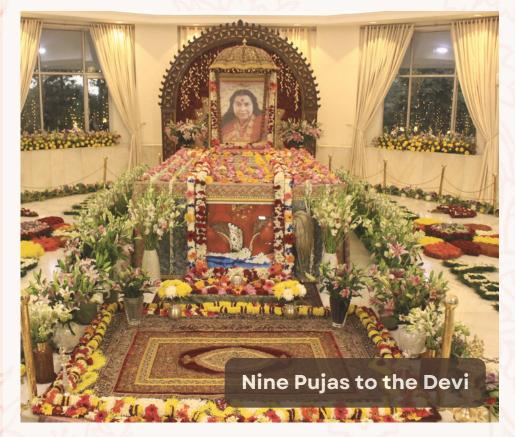

NIRMAL DHAM, DELHI (INDIA) 15th - 24th OCTOBER, 2023

"You are Sahaja Yogis. What is your destiny? Your destiny is to achieve the spiritual sucess. O Devi, please give us the spiritual personality, the victory, the spiritual ascent and destroy our enemies."

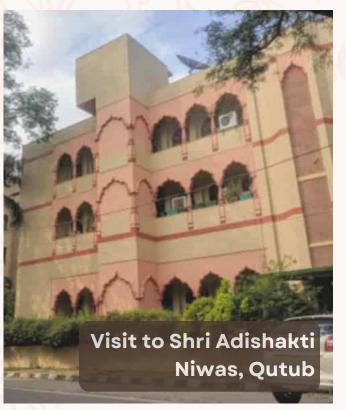

"The best way is to surrender and the surrendering is easier. You just put me in your heart all the time, the simplest way. Then you cannot live without it. You cannot exist without it. You feel completely lost. It's kind of a very detached love. You just feel absolutely rested, blissful, and content. Then you don't want anything. That is the state, one has to establish. It is so easy for you because I am in person with you. Only problem that is there, as I told you, in Sahaja Yoga, that you have to recognise Me to begin with. But to recognise Me is rather difficult because I am Mahamaya and so normally you might come into that mess created as a Mahamaya."

"What today you have been asking me for the victory, I have to tell you that you are very safe in the fort of your meditative state and very well. In meditation only you can grow, you cannot grow otherwise. It is like the sunshine for any tree. You have to be in meditation, in Nirvichara, you don't have to oppose anybody, you don't have to disagree with anybody, you don't have to say anything. Specially for other Yogis, you don't have to say anything. Anybody whom you find to be funny, just go into meditation and you will be amazed how thing will change, and that is your power. How many people have got realisation in this world? Very few. They are growing up, alright, they are working it out. But what is lacking in them is the meditative force."

"The whole attitude about facing anything is very different for a realised soul. Like me, I would say - if I see a problem, immediately I go into meditation, immediately, and the problem is solved. Because that's my power. In the same way if you see a problem and if you go into meditation, the problem will be solved by me. But if you start solving it mentally or orally, you will fall into traps. So, the best thing is, any such problem that bothers you, you should just go into meditation, don't have to even pray. Just go into meditation with that problem and you will come out victorious"

# **ABOUT NIRMAL DHAM**

Nirmal Dham holds a special significance in the spiritual growth of each Sahaja Yogi as it is the resting place of our Holy Mother since 23rd February 2011, the day Mother decided to leave the physical aspect of Her most auspicious incarnation.

It was on the advice of Shri Mataji and on Her approval, that the Delhi Sahaja Yoga collective arranged the plot of land for Nirmal Dham, to build an ashram. Mother described the significance of the place as a "Dham" i.e, Divine Abode, thus the name "Nirmal Dham" was christened.

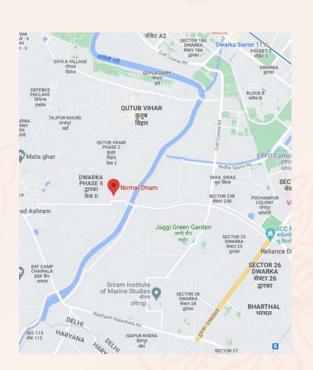

From 2000 onwards, several International Pujas & Marriages, graced by Shri Mataji Herself, have been performed at Nirmal Dham. It continues to host National and International Pujas and is one of the main meditation centers for the Delhi collectivity.
